APPROVAL OF JULY MEETING MINUTES: Approved

APPOINT DAN MUGGLI TO TREASURER: The Board unanimously approved to appoint Dan Muggli as MAPSA Board Treasurer.

OPEN POSITION: Region 7 is still open.

MAILBOX MOVE TO RAMSEY COUNTY: Some discussion was held about moving the mailbox to a Ramsey County location and Ronalea would take it over. Cindy Miller is moving into the building where the mailbox is currently located, so there may be no reason to move it after all.

FALL TRAINING: Discussion held regarding topics for a half-day fall training:

- Sex Offender-Jeremy has been looking into the speakers for this. Looking at the training including websites and searches of the numerous devices.
- Lethality Assessments-Discussion held this may be more appropriate for spring training.
- Bail Evaluation Perspectives-Discussion held that this may also be more appropriate for the spring training.
- Females Offenders and Domestic Assault-Discussion held how counties are seeing more females being arrested for domestic assault.

MEMBERSHIP DUES: Still waiting on Dues from Aaron and Ronalea and Jaimee. Ronalea indicated the payments have been sent.

WEBSITE: Levi has agreed to continue with website. Please send any updates to him.

NEWSLETTER: Lynette indicated she totally forgot that she volunteered to work on the newsletter. She will shoot for getting it out, hopefully mid-September.

REGION UPDATES: Jaimee reported they are finally full staffed at Project Remand. They have started a GPS program for Domestic Felony pre-trial. Discussion held about utilizing EHM for this purpose. It was a general consensus that not many counties are ordering this, for varying reasons. St. Louis County does use EHM for felonies, but not domestics.

SPRING CONFERENCE: Discussion held for members to start looking to topics for the Spring Conference. It was agreed that we would continue to have the conference at Mystic Lake Casino. Hoping to have the conference on April 27, 2016, or if that is not available shooting for April 20, 2016 or May 4, 2016.
